**Subject: Underground Injection Control (UIC) Class VI New Permit Application
Well CCS#1, Permit No. OH-093-6A-0001
Lorain County, Ohio**

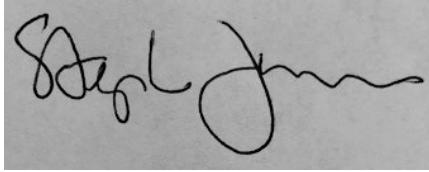

Dear Mr. McCuiston:

The U.S. Environmental Protection Agency has received a permit application for a Class VI injection well as defined by UIC regulation, 40 C.F.R. § 144.6(f). In accordance with § 124.3(c) and § 144.31(d), EPA has reviewed the permit application for the informational requirements of § 146.82(a). You are hereby notified that EPA has deemed the permit application to be administratively complete.

EPA's technical review of this permit application is under way. You will be notified if we need any additional information to clarify, modify, or supplement previously submitted material in accordance with 40 CFR §124.3(c).

Should you have any questions, please contact Allan Batka at (312) 353-7316 or batka.allan@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen M. Jann", is shown on a light gray background.
